

VDEM Sponsored Emergency Management and Incident Command System (ICS) Courses:

The following VDEM sponsored training classes are available for registration through the Knowledge Center (<https://covkc.virginia.gov/vdem/external>) web site. For first time users, there is an instruction sheet available on the login page for new users to register for an account.

There is no cost associated with these classes, other than the cost of your meals and travel expenses that the student would be responsible for.

(As of 8 June 2016)
